**JOINT STATUS REPORT**

Pursuant to this Court's November 22, 2019, Order (ECF No. 59), the parties submit this joint status report. As discussed during the November 15, 2019, status conference, the parties continue to explore settlement while working through the complex liability issues this case presents. With respect to the former, the United States expects to hear from its appraiser within the next few weeks, after which the parties will reconvene to further explore settlement based in part on the appraiser's findings.

Accounting for the upcoming holidays, the parties request that the stay of this case be continued and that the parties be ordered to file a further joint status report by no later than Friday, January 31, 2020. During this time, the parties plan to revisit settlement discussion and continue the supplementary work addressing liability issues.
